## From the Director

Treat your child to an unforgettable experience this summer — a week of summer camp at Camp Heritage! Give your camper the opportunity to experience physical challenge climbing our rock wall or learning to water ski. Enable them to develop their creative side in our crafts, ceramics and rocketry classes. Introduce them to the great outdoors in our horsemanship, nature and outdoor survival skills classes. Provide them with 10,000 minutes to build social skills, find encouragement, and grow spiritually, all while interacting with caring, young-adult role models.

Camp Heritage's theme this summer is "All In!" When Jesus called people to follow Him, He didn't ask for 50% or 75%. He asked for no less than everything. He needed people who were willing to give up whatever they had and go all in with Him. For many would-be followers, like the rich, young ruler, 100% was too much to ask. However, others had a vision, not for the cost, but, rather, for what they would gain...eternal life with Jesus! This summer, we will challenge our campers to live a life that is all in, both at summer camp and back at home.

We are excited to partner with you to provide memories your camper will always treasure! Visit our web site, [www.campheritage.org](http://www.campheritage.org), for full details about our program. Also, please consider inviting a friend to enjoy the experience with your camper, as adventures are better when shared with someone else. And in the meantime, remember, Jesus already stretched out His arms and showed how far He is willing to go; now He is seeking those who are willing to go "All In!"

~Denison Sager, Director
